## COLOUR INSPIRATION.

Colour is everywhere, so the Chip app has curated it in a way that lets your customers choose it confidently.

## COLOUR MATCHING.

Give homeowners the power to capture colour with a simple scan and turn it into a paint match.

## COLOUR ON THE WALL.

Customers can call our Paint Planner, Sarah, to get a no-hassle, non-committal quote from a 5-star Chip certified painter.

Chip helps your customers choose their colour.

Chip brings customers back to your store to purchase their paint.

Chip books the job.

*You do business as usual –  
but more of it.*
